

The amalgam of popular culture, art, and entrepreneurship is surreal.

PAUL BRISKE

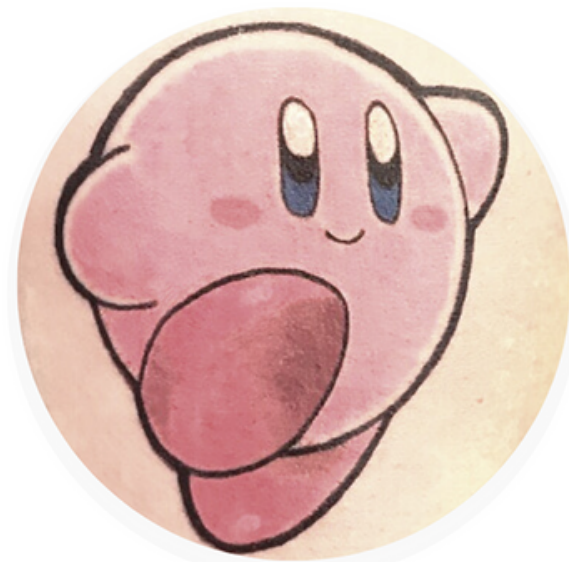

KACEY MEG

@INFINITEWORLDSTATTOO

ANIME, VIDEO GAMES, FANTASY, AND COMICS HAVE HOSTED SOME OF THE MOST OUTSTANDING AND CELEBRATED ART IN MODERN HISTORY.

Building a bridge between creativity, imagination, and your interests is how we support the community that supports us.

CREATIVITY TIP:

SAVE THE POSTS YOU FIND INSPIRATIONAL, OR THAT YOU MIGHT FIND USEFUL ONE DAY. YOU'LL ALWAYS HAVE A POOL OF MOTIVATION WAITING FOR YOU WHEN YOU NEED IT.

EMBRACE MOMENTS THAT ADD CLARITY TO YOUR PATH.

COMMUNICATION IS CRUCIAL. EVEN DURING EVENTS OR CONS, IT'S RARE FOR US TO TAKE LONGER THAN 24HRS TO RESPOND.

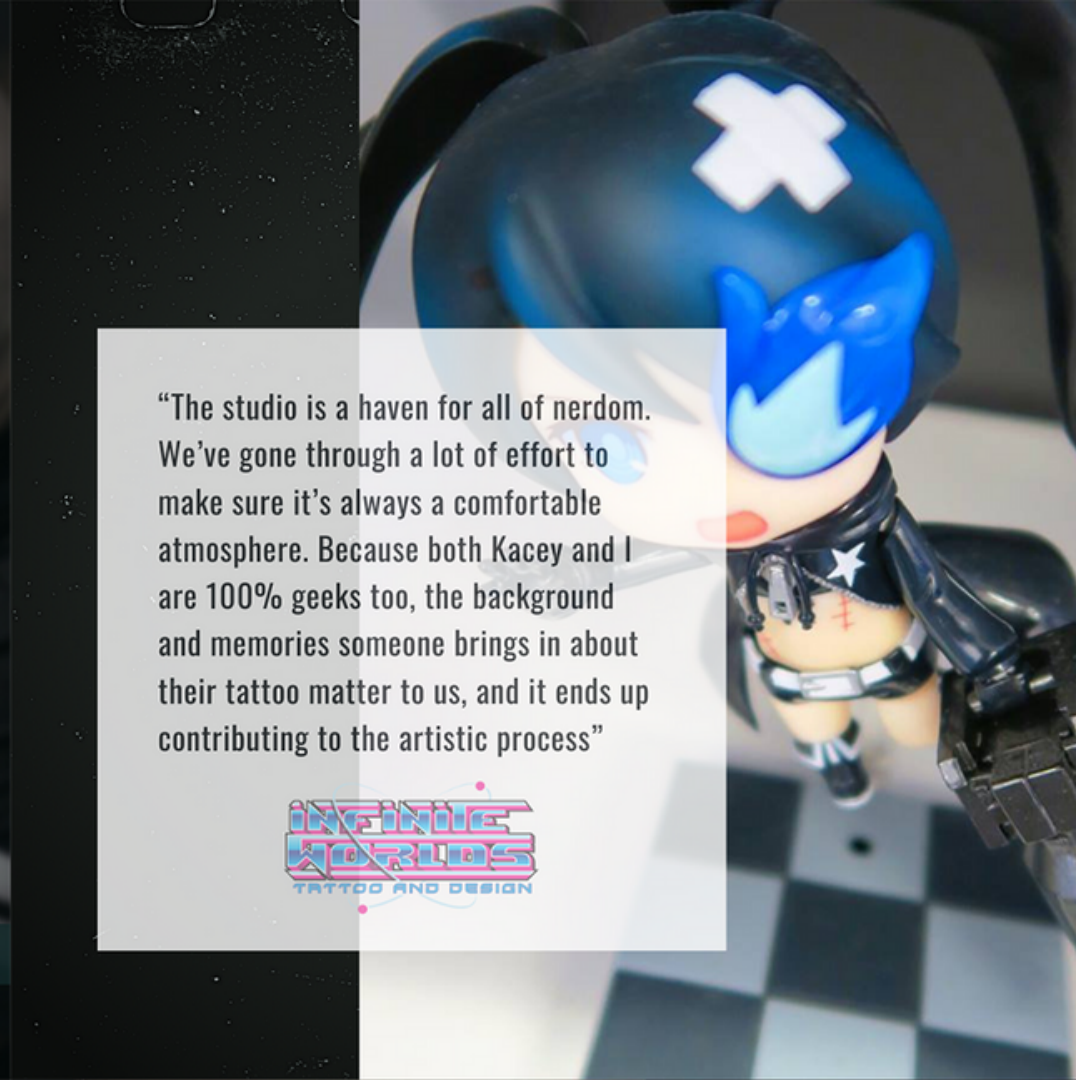

EMOTIONS BLEED THROUGH EVERYTHING YOU DO. DON'T FEAR CUTTING OUT NEGATIVITY, NO ONE IS GOING TO MISS IT ANYWAY.

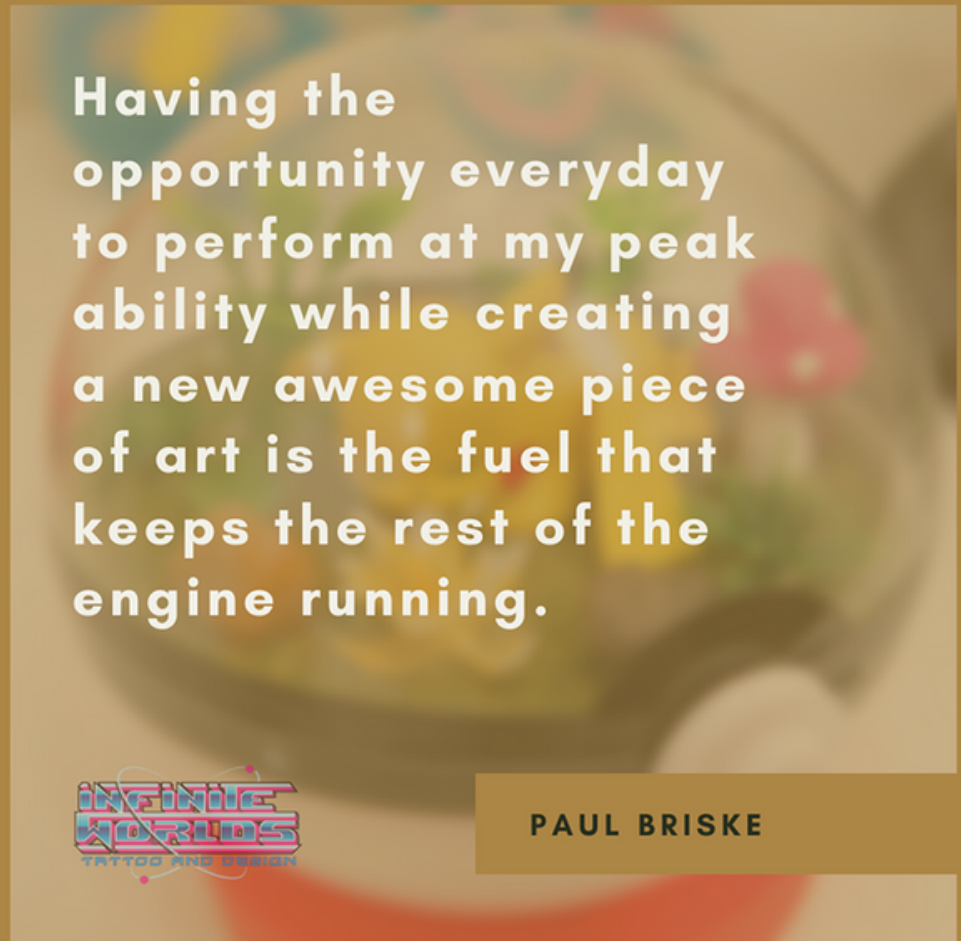

GEEKY TATTOOS ARE NOTHING NEW... BUT WE'RE THE ONLY STUDIO THAT SPECIALISES IN IT.

Infinite Worlds, South Australia

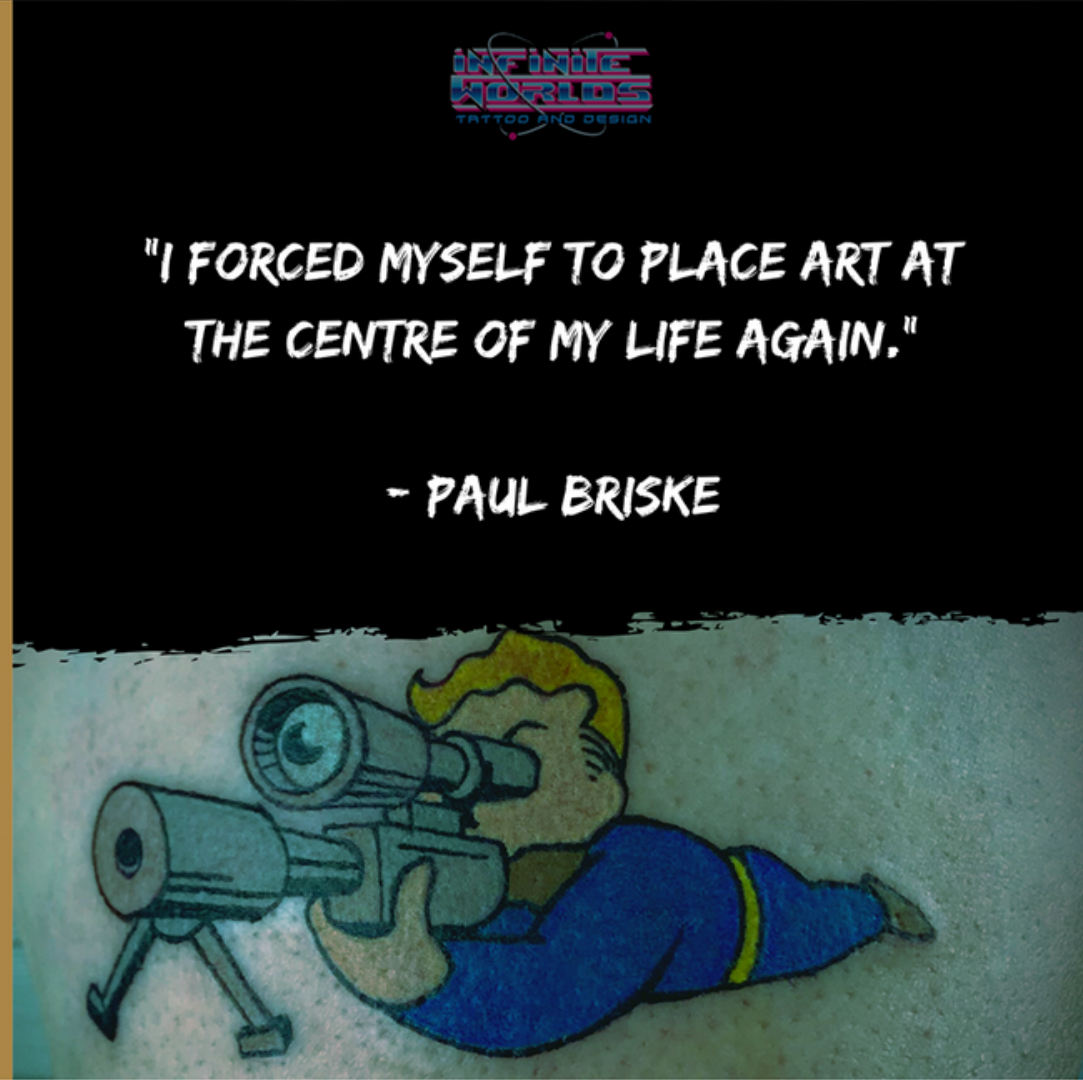

"The studio is a haven for all of nerdism. We've gone through a lot of effort to make sure it's always a comfortable atmosphere. Because both Kacey and I are 100% geeks too, the background and memories someone brings in about their tattoo matter to us, and it ends up contributing to the artistic process"

Having the opportunity everyday to perform at my peak ability while creating a new awesome piece of art is the fuel that keeps the rest of the engine running.

PAUL BRISKE

"I FORCED MYSELF TO PLACE ART AT THE CENTRE OF MY LIFE AGAIN."

- PAUL BRISKE

"NOT TOO LONG AGO I WAS WORKING A SALES JOB AND HAD GIVEN UP ON ART. MY DAD WAS DIAGNOSED WITH CANCER, I HADN'T FINISHED UNIVERSITY, AND I KNEW I HAD TO REORGANISE MY PRIORITIES."

- PAUL BRISKE

I WANT INFINITE WORLDS TO BE THE FIRST WORDS PEOPLE THINK OF WHEN TALKING ABOUT GEEKY TATTOOS

Paul Briske

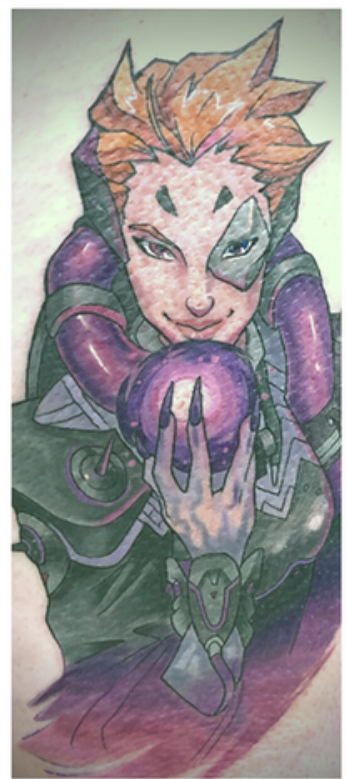

Pop-culture, anime, cartoons, video games, and comics. That's the sort of experience you get when you step into our space, and it's made us the nerdiest studio in South Australia.

NOT YOUR AVERAGE TATTOO STUDIO

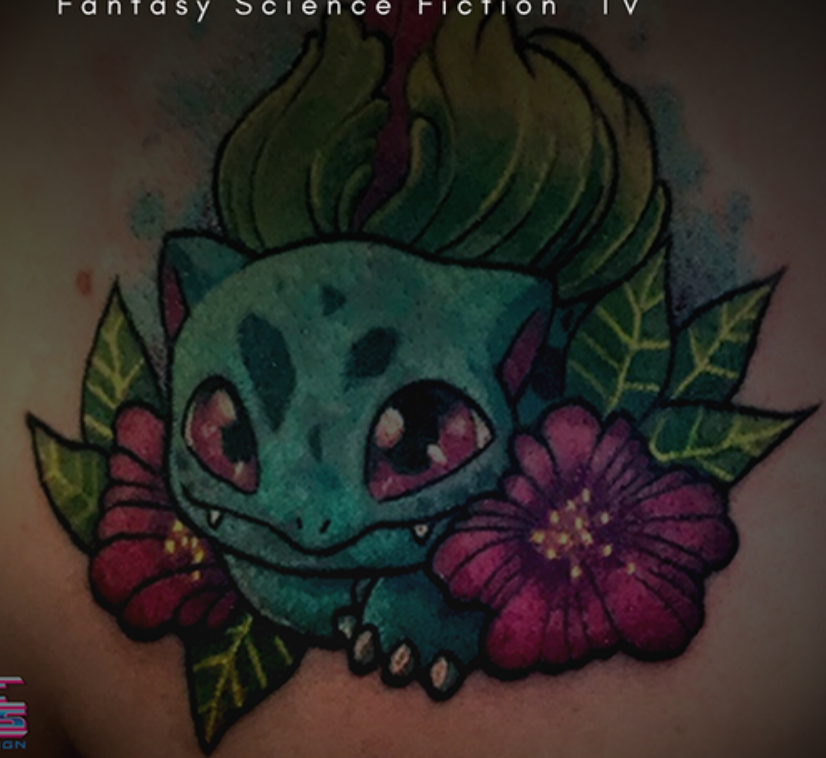

Infinite Worlds trades in dark colours and skulls for pink and blue walls echoing with synth wave.
